2024-2029 Transportation Improvement Program Presentation

Request:

Recommended Motion:

Summary:

RCW 35.77.010 requires local jurisdictions to prepare and adopt a perpetual six-year Transportation Improvement Program (TIP). The City's TIP is combined with other state and local agency TIPs into a state-wide STIP. The STIP is used primarily to manage expenditure of state and federal funds. For the City, the TIP indicates the priority transportation improvements for which the City intends to apply for state and federal grant funding. Richland's long-standing practice of preparing its TIP involves multiple public involvement opportunities that include involvement of the Parks & Recreation Commission and Planning Commission. The draft TIP is posted on the City's website with an opportunity to provide comments. Public meetings to consider the TIP will be held by the Parks & Recreation Commission and the Planning Commission. The Planning Commission is requested to vote at its next business meeting to recommend approval of the proposed TIP. RCW 35.77.010 requires a public hearing before adoption of the City's TIP. A public hearing will be advertised and held at the Council meeting to accept additional public comment on the topic. Barring any compelling public testimony to the contrary, staff will recommend a resolution for adoption of the TIP if recommended by the Parks and Recreation Commission and the Planning Commission.

The TIP documents are located online at <https://www.ci.richland.wa.us/departments/public-works/traffic-and-streets/transportation-planning>.
