2. PLN-T2-2025-00009 The Redeemer Lutheran Church School on Small Sites Application – 520 Thayer Drive

Planning Manager Stevens reported that Redeemer Lutheran Church applied to construct a 10,844-square-foot school on a site, which is well-below the minimum acreage of a school site outlined in Richland Municipal Code Title 23.42.250. The proposal includes demolishing the existing house on the property to construct a new school. Designed for grades K-5, the school will include six (6) classrooms and is expected to accommodate approximately ninety-eight (98) students based on a state calculation.

School activities will take place on the house parcel, while church activities will remain on the church parcel. The church parking lot may be utilized for larger school events. Additionally, the Church has agreed to adjust its start and end times to ease traffic congestion and avoid conflicts with Carmichael Middle School's traffic flow.

Vice-Chair Townsend confirmed with Mr. Stevens that there were no comments, either negative or positive, and proper public notice was given.

Rachelle Ward, the Board Committee Chair for the Church, spoke on behalf of the applicant and gave an outline of the overall proposal. Vice-Chair Townsend asked about traffic flow, and Ms. Ward clarified the traffic flow would be one way with traffic exiting right out of both exits.

Alexander Eirich spoke on behalf of the applicant to give detail on the church's outreach effort to notify neighbors regarding the project in the surrounding area. He stated the project team received support from New Heights Church and staff from Carmichael Middle School. He also confirmed that the Church mailed information to residents within the three-hundred-foot radius and received no feedback.

Karin Nickola, speaking on behalf of the applicant, acknowledged that the church is located in a populated and congested area of town. She outlined the efforts made in the proposal to reduce and confine traffic to the site itself. She also addressed concerns raised by staff regarding noise, noting that this has been taken into consideration. The proposed playground will be located on the east side of the building, away from the adjacent residential area. Ms. Nickola also addressed concerns about green space, stating that the site is situated on the highest part of Redeemer's property, and they do not anticipate any loss of green space. Additionally, significant landscaping is being proposed. It was also noted that parking on Thayer Street will not be permitted for drop-offs, and a parent education plan will be implemented to enforce this policy.

Vice-Chair Townsend opened and closed the public hearing at 6:30 p.m. No testimony

was offered.

Commissioner Lambert asked for clarification from staff regarding the process for the applicant should school head count exceed ninety-eight (98) students. Commissioner Lambert offered an additional condition for addition to the recommendation. "If drop off and pickup activities related to any school functions begin to affect traffic flow on Thayer Drive based on documented complaints received by the City, then the applicant shall contact the City of Richland Public Works Department to determine possible mitigation measures." Mr. Stevens noted staff's agreement to add the amended condition.

Commission members asked questions of staff and applicant to seek additional clarifications regarding the application.

COMMISSIONER NICHOLSON MOVED AND COMMISSIONER SAMUEL SECONDED THE MOTION TO ACCEPT STAFF'S FINDINGS AND CONCLUSIONS, INCLUDING THE AMENDMENT TO CONDITION NUMBER FIVE. THOSE IN FAVOR: VICE-CHAIR TOWNSEND AND COMMISSIONERS HERNANDEZ, LAMBERT, NICHOLSON, MILLER, AND SAMUEL. THOSE OPPOSED: NONE. MOTION CARRIED 6-0.

Council member VanDyke thanked the applicants and presenters and welcomed feedback on their experience.

3. 2025 Planning Commission Chair and Vice Chair Election

Vice-Chair Townsend stated that he communicated with Chair Richardson and confirmed that if nominated, he would be willing to continue serving as Chair of the Planning Commission. Vice-Chair Townsend added that his term will expire at the end of March and will not seek reappointment. As a result, he would abstain from voting in the election.

Commissioner Miller announced that he will be moving out of state and will need to resign in the upcoming months.

Mr. Stevens confirmed that three (3) Planning Commission applicants have been invited to interview for the upcoming vacancies on March 17th. The candidate selected will be submitted to Council for approval at the April 1, 2025 City Council meeting.

Vice-Chair Townsend opened the floor for nominations for Chair.
Commissioner Lambert nominated Commissioner Richardson.

No other nominations were made.

Commissioner Nicholson opened the floor for nominations for Vice-Chair.
Commissioner Nicholson nominated herself.

No other nominations were made.

Vice-Chair Townsend closed the nominations.

The Planning Commission unanimously reelected Jet Ricardson as Chair and elected Heather Nicholson as Vice-Chair.

Communications:

Councilmember VanDyke congratulated Chair Richardson and Vice-Chair Nicholson.

Planning Manager Stevens introduced Ryan Nelson, a new hire for the Planning Department. He also announced that there is currently an opening that is posted for a Senior Planner that he is hopeful to be able to fill in the upcoming months. Mr. Stevens is also working with a consultant for the Comprehensive Plan, and there is an upcoming public hearing on March 11th for the climate portion of the Comprehensive Plan, and that if the Commission would like to attend, information will be posted on the City's website.

Commissioner Nicholson thanked Vice-Chair Townsend for his years of work and the knowledge he has passed down to the Commission.

2026-2031 Transportation Improvement Program

Request:

Strategic Priority 3 - Focused Development

Recommended Motion:

Recommend to Richland City Council adoption of the 2026-2031 Transportation Improvement Program

Summary:

RCW 35.77.010 requires local jurisdictions to prepare and adopt a perpetual six-year Transportation Improvement Program (TIP). The City's TIP is combined with other state and local agency TIPs into a statewide STIP. The STIP is used primarily to manage the expenditure of state and federal funds. For the City, the TIP indicates the priority transportation improvements for which the City intends to apply for state and federal grant funding. Richland's long-standing practice of preparing its TIP involves multiple public involvement opportunities, including involvement in the Parks & Recreation Commission and Planning Commission. The draft TIP is posted on the City's website with an opportunity to provide comments. Public meetings to consider the TIP will be held by the Parks & Recreation Commission and the Planning Commission. The Planning Commission is requested to vote to recommend approval of the proposed TIP. RCW 35.77.010 requires a public hearing before adoption of the City's TIP. A public hearing will be advertised and held at the Council meeting to accept additional public comment on the topic. Barring any compelling public testimony to the contrary, staff will recommend a resolution to adopt the TIP if recommended by the Parks and Recreation Commission and the Planning Commission.

The TIP documents are located online at: <https://www.ci.richland.wa.us/departments/public-works/traffic-and-streets/transportation-planning>
